

Welcome to Fisher Patton and the Red Baron's Autumn 2004 Catalogue List

This will be our last mailed out catalogue. All future catalogues will be on our website.

If you are receiving our catalogue for the first time it is because we have permission to use more extensive mailing lists mainly connected to Retired Royal Marines.

If you already receive our catalogues you will notice that we are now only sending them to you on a seasonal basis four times a year. We still offer our service of providing a search service for military collectors that will find any military item from a button to a tank and you will find a complete veterans wear list in the catalogue, medal list, military antique list and cap badge section.
