

## Welcome to Fisher Patton and the Red Baron's April 2004 Catalogue List

A catalogue list heavy with small items, (we have the builders in and the house is in a jumbled state, the office is being extended and we hope it will be over soon) - of course in the middle of all this we have to get out April's catalogue which includes a new page of items that our customers are looking for. We also now have our military outfitters pricelist on our new style website but beware as it takes some time to download, having hundreds of items on it.

There are some new, exciting veterans wear items coming soon including cummerbunds in regimental colours with crests, socks with crests on the ankles, T shirts sweatshirts and poloshirts. Enjoy your read and may we wish you all a very Happy Easter.
